**2013**

The year 2013 is going to be fabulous at PROD and here is your chance to be right in the middle of the action!

Our Fatherhood Initiative has taken off. In 2013 our plans are to strengthen the outreach to dads. We plan to also reach more moms that may be facing an unplanned pregnancy with an optimistic and effective marketing campaign

Your Year-End gift will launch each of these endeavors with a bang. Every gift we receive by Dec. 31 gets us one step closer to our goal of \$35,000 in new funds toward these projects—and it will give you a needed 2012 tax deduction as well.

Let's make 2013 our best—you can help make it happen.

## PONDER THIS!

In awe the angels witnessed the birth of God's Own Son. A baby, born of woman, "formed within" like everyone.

Then for a moment, Jesus' world was Joseph and his wife, as newborn eyes beheld the two entrusted with His life.

And still today, each little child, each tiny boy or girl, is sent from deep within

God's heart entrusted to the world.

Each life's an act of love from God in which He takes delight. Each little child is a miracle, precious in His sight.

We celebrate this season and its miracle of love, remembering that every life is a gift from above.

## Through Our Doors

October 24, 2012 was a day that started like any other until Dr. A.T. Perry came. His calm demeanor settled the nerves of the ladies who came to learn more about pain control during labor. It didn't take long for the questions to begin and the laughter to be heard around the building.

Enjoy some of the pictures of the day's events and rejoice with us for Dr. Perry's willingness to give up some of his time for these ladies.
